Company Overview

Jyoti Apparels is a Government of India recognized and certified Star Export House delivering high quality garments. Our complete solutions, from innovative design to skilled production, ensure excellence in every piece we create and export.

Jyoti Apparels was established in 1976 by Mr. HKL Magu and has since emerged as a premier name in India's apparel industry. Mr. Magu's extensive experience in international trade inspired him to engage in the global marketplace. Recognizing a gap in garment exports during the late 70s, he seized the opportunity to launch Jyoti Apparels, which quickly rose to prominence, achieving significant turnover in just three years.

Today, Jyoti Apparels represents excellence, innovation, and a commitment to quality. The company's core values and passion to meet the dynamic needs of customers worldwide have helped it become a beacon of light in the apparel sector. With the name 'Jyoti' meaning 'light,' the company symbolizes its commitment to sparking innovation and leading the path to excellence within the global apparel sector.

Our purpose is to manufacture and export high quality garments by offering complete solutions in the apparel industry.

Our vision is to preserve and extend our market legacy by undertaking responsible business practices and contributing to society.

Our mission is to navigate the apparel manufacturing process through sourcing and production excellence, ensuring an efficient supply chain by employing the highest standards of operations.

Products

Our product portfolio consists of 80% woven and 20% knitted garments for women, kids and men: Dresses, Blouses, Jumpsuits, Tops, Shirts, Bottoms, Skirts, Pants, Swimwear, Sleepwear, Resort Wear etc.

Women's Wear:

Our manufacturing prowess extends to women's wear, covering a spectrum of styles from elegant dresses to trendy jumpsuits and versatile tops. With precision and efficiency, we produce bottoms, skirts, pants, swimwear, sleepwear, and resort wear, ensuring each garment meets the highest standards of quality and craftsmanship.

Men's Wear:

In men's wear manufacturing, we prioritize style and functionality. From tailored shirts to comfortable bottoms our manufacturing process emphasizes attention to detail and contemporary design. Our garments reflect a perfect blend of fashion-forwardness and timeless appeal.

Kids Wear:

Our manufacturing approach for kids wear focuses on creating durable and comfortable clothing suitable for active play and everyday adventures. From tops and bottoms to dresses and swimwear, each garment undergoes meticulous production to ensure superior quality and long-lasting wear for children.

Infrastructure: The Backbone of Our Company

Our extensive infrastructure, spanning over 15,000 sq m, is the foundation upon which we build our legacy in the apparel industry. From advanced manufacturing units to our dedicated team of professionals, every aspect of our infrastructure is designed to meet the dynamic needs of the global market.

Jyoti Apparels is home to 2,000 dedicated employees, each bringing unique skills and a shared passion for fashion. Our team's commitment to craftsmanship, innovation, and sustainability drives our success and ensures we remain at the forefront of the apparel industry. Their expertise and passion drive our success and innovation, making Jyoti Apparels not just a workplace, but a community committed to quality and sustainability.

Our commitment to quality and sustainability is evident across our manufacturing facilities. Equipped with over 1,200 high-precision sewing machines, metal detector machines, and comprehensive in-house washing and drying capabilities, we ensure every garment meets the highest standards. Our computerized embroidery machines and CAD software further enhance our production efficiency, enabling us to maintain a monthly production capacity of 3,50,000 pieces. Each facility, strategically located in key industrial areas, is a testament to our dedication to excellence in garment manufacturing.
